## 1. ABOUT THE UNIVERSITY:

PMU(Pacific Medical University) is one of the top medical university located in Udaipur - Are you looking the best medical education here is the best place for it a lovely land around the azure water lakes, hemmed by the lush hills in Aravalli range of mountains in western India admits the Royal state of Rajasthan. Being blessed so much by nature Udaipur in the last decade had grown up as a big education hub in the field of medical education and become the best medical university in our area. Under its flagship PMU is continuing to provide best education in Medicine, Dental, Nursing, Pharmacy, Paramedical Sciences and Physiotherapy.

PMU strives for excellence in promoting as well as empowering students with biggest educational opportunities in Medical Professional and Health Development with all around grooming as a responsible citizen and sincere server to humanity in today's competitive and dynamic global society.

PMU came into existence in the year 2014 under the aegis of Tirupati Balaji Educational Trust and is spread over an area of 32.14 acres, beautifully landscaped and surrounded by lush green hills of Bhillo Ka Bedla Pratappura, Udaipur (Rajasthan), a Class 'B' city on National Highway 27.

PMU intends to set a benchmark in the field of medical education in India. The trust is committed to achieve and maintain excellence while it aims to bring standard health care within the reach of every individual and especially to the people of Mewar region in Rajasthan and neighbouring areas of Gujarat and Madhya Pradesh. A proper curriculum has been set according to the norms that carry all the relevant subjects which need to be taught during their academic period. The curriculum not just prepares the students to excel in the field of medical science but also to stand apart in the mind-set of the world and make their presence felt. The overall growth of the student and personality development is given the most importance.

## 2. MESSAGE:

**FOUNDER:**  
**MR. B.R. AGRAWAL**

“A dream doesn’t become reality through magic but it takes sweat, determination, & hard work to make it come true. The arc of the gradually blossoming flower symbolizes development from childhood to adulthood, through the process of learning. The catalyst in this process being education, which opens doors for a life full of opportunities.”

**Mr. B.R. Agrawal** is Founder Chairman of promoting body of the Tirupati Balaji Education Trust, he has long experience of 47 yrs in business and education, An ordinary man with an extraordinary vision, without means but with infinite convictions, with desire to excellence. He is a man of honour and deeds. A visionary who believed in education & service to society through education.

His philanthropy started with the establishment of PAHER University in Udaipur that provides modern education in the field of Commerce, Engineering, health & dental care. Since then his guidance and direction has led the PACIFIC Group to diversify and provide quality and futuristic medical education with an aim to prepare responsible individuals who can play meaningful roles in diversified areas of the society and established Pacific Medical University, Udaipur

**CHAIRPERSON:**  
**MR. RAHUL AGRAWAL**

“Education is the most powerful weapon which you can use to change the world.” It is a great privilege to prepare students to help shape the future of healthcare. With a vision and mission to give good quality and integrated modern medicine teaching, we have established Pacific Medical University to cater the need of the students as well as to serve the society. Our motto is to provide quality medical teaching so that goal of health for all is reached at the earliest.

I am excited about the momentum we are creating to address the growing need for primary care physicians who are trained to deliver high quality, compassionate care. Welcome to the future of healthcare. It gives me immense pleasure to invite you to join the force that changes

  
**REGISTRAR**  
**Pacific Medical University**  
**Udaipur (Rajasthan)**

you and your capabilities, while transforming you to be a professional with a sense of value and determination

**PRESIDENT:**  
**PROF. (DR.) M. M. MANGAL**

We at Pacific Medical University envisage to lay a foundation for an educational infrastructure, which will serve as a platform to provide world class training to the students across the region. "We need to encourage excellence in our University now more than ever". Our Vision is to make this University, a leading Medical and Health Sciences University in the entire country in its relentless journey towards excellence. A continuous focus on change can be linked to the trends in medicine such as new technology, new research and the changing health care needs of our society. Students must be prepared to deal with all the competing forces of a rapidly changing health care system and demonstrate the qualities of professionalism during medical school and throughout their careers. It must be clear that we are committed to the best outcome for the patient. Each student must be constantly on guard to protect, defend, and be an advocate for patients. To accomplish this, you must be diligent in your studies to acquire and extend your medical knowledge. Our learning atmosphere is enriched through the diversity brought to it by the students, faculty and staff from all over the country. As we take a look into the future our younger generations will be spending their lives and careers in a world where National boundaries will be less significant Pacific Medical University is committed to engage and fulfill creative innovations in education and research to meet the requirements of the changing society Pacific Medical University with persistently cultivate its excellence to emerge as a premier University. My best wishes to you all.

**REGISTRAR:**  
**DR D. S. SARANGDEVOT**

I am pleased to welcome you to the Pacific Medical University, Udaipur, Rajasthan. We are committed to provide you innovative Health Care Education, State-of-the-art Infrastructure, Quality Training in the Field of Medical & Natural Health and Transnational Bio medical Education, with the help of competent and highly educated team of faculty & staff members. As you all aware that today our society demands multi-faceted health practitioners, ones who are good at excellent communication, clinical problem solvers; one who can justify clients & patients; having knowledge in the scientific basis of healthcare; and confident, self-aware professionals. These qualities inform every aspect of curriculum development at Pacific Medical University, Udaipur.

### 3. OFFICE BEARERS

#### Chairman

**MR. RAHUL AGRAWAL**

We at Tirupati Balaji Educational trust provide a transformative educational environment for talented young men and women to nurture their inventive potential and to acquire distinctive skills valuable to self, industry and society. With state of the art infrastructural set up and qualified faculty our aim is to offer a stimulating, modernistic and evolving curriculum that spans the vast spectrum of global requirements.

#### Director

**Mrs. PREETI AGARWAL**

We value and celebrate the cultural and individual diversity in our students, faculty and alumni, always emphasizing the power of fellowship. We strive towards providing students the best opportunity to deepen their understanding of a part of their core majors through a deepening specialisation, which will give them a further edge in specific industries. Our aim is to enable our faculty and students to have intensive interaction with allied industry for an updated knowledge.

#### Executive Director

**Mr. AMAN AGARWAL**

At Tirupati Balaji Education Trust, the academic curriculum engagement is envisaged as a learning process which, by providing exposure to the students in real life working environment helps them to develop and enhance academic, personal and professional competencies coupled with deeper understanding of the ethics and values that distinguish a good professional. The engagement programmes are based on regulated exposure of the students to the industry environment under the guidance of experienced faculty and industry experts.

## 4. PROFILE:

### VISION

Make people know that there is a difference between just providing medical education or building a caregiver who can understand patient needs and fulfill these by giving top of the line healthcare and we are here to develop Graduate Medicos to serve in the betterment of humanity.

### MISSION

The PMU's mission is to provide excellent outstanding, yet affordable medical care and education in a friendly environment. We are here to build the great healthcare professionals' and Medical practitioner who can make good change in healthcare ground. To provide the best Medical education by setting up the seal on a spirit of compassion to all, regardless of race, caste, creed, sex, religion etc. Set a benchmark for all the students to learn the best and grab the finest out of themselves so that they can know how to fight for the goal to become the top medic.

### OUR APPROACH

Pacific Medical University is a result of talent, commitment and extreme hard work of the management team associated with the University. For them the most important goal is to educate the students residing in Udaipur and surrounding regions. This mission is depicting a story of success that in such a short span of time a University has been established having different institutes for the students of medicine. The University has a number of institutes offering courses to both under graduate and post graduate level. A proper curriculum has been set according to the norms that carry all the relevant subjects which need to be taught during their academic period. The curriculum not just prepares the students to score good marks and get knowledge but also to stand apart in the midst of the world and form their own presence. The approach of the University, its management and faculty is student oriented and all the people involved with the University are treated as an extended part of the family. The overall growth of the student and personality development is given the utmost importance. The University is hoping to provide knowledge, education and holistic development to both the students and the others who are associated with it.

## 12. Degrees/Diploma/Certificate Courses Offered

S. No.	College	Name of Course	Subject	Duration	Eligibility
1	Pacific Medical College & Hospital	UG	M.B.B.S.	4 ½ Year	10+2 PCB (NEET Eligibility) As per NMC requirement
2		PG	MD/MS	03 Year	MBBS+ NEET PG Eligibility as per NMC requirement
3		PG	M.Sc. Medical	03 Year	Graduation in PCB & as per University Norms
4		M.Phil	Clinical Psychology	2 Year	MA / M.Sc. Regular Course Degree in Psychology from a university recognized by the UGC with a minimum of 60% marks in aggregate.
4	Pacific Dental College & Research Center	UG	B.D.S.	4+1 Year	10+2 + NEET Eligibility (As per DCI Requirement)
5		PG	M.D.S.	03 Year	BDS+ NEET Eligibility (As per DCI Requirement)
6	Tirupati College of Pharmacy	Diploma	Diploma in Pharmacy	02 Year	12 <sup>th</sup> Passed (PCB/PCM) As per PCI
7	Tirupati College of Nursing	UG	B.Sc. Nursing	04 Year	12 <sup>th</sup> Passed (PCB) As per INC & RNC
8		UG	Post Basic B.Sc. Nursing	02 Year	GNM Passed (As per INC & RNC)
9		PG	M.Sc. Nursing	02 Year	B.Sc. Nursing & Post Basic B.Sc. Nursing Passed (As per INC & RNC)
10	Pacific College of Physiotherapy	UG	BPT	4 ½ Year	10+2 (PCB) As per University regulations
11		PG	MPT	2 Year	BPT (As per University regulations)
12	Pacific College of Paramedical Science	UG	Bachelor in Medical Laboratory Technology	3 Years+1 Year (Internship)	A pass in the senior secondary examination (Class XII) of the Board of Secondary Education, Rajasthan or any other examination recognized as equivalent thereto with a minimum of 50% marks in aggregate of Physics, Chemistry, Biology and English taken together at the qualifying examination.
13		UG	Bachelor in Radiation Technology	3 Years+1 Year (Internship)	
14		UG	Bachelor in Ophthalmic	3 Years+1 Year	

			Technology	(Internship)	
15		UG	Bachelor in Operation Theater Technology	3 Years+1 Year (Internship)	
16		UG	Bachelor in Orthopaedic Technology	3 Years+1 Year (Internship)	
17		UG	Bachelor in ECG Technology	3 Years+1 Year (Internship)	
18		UG	Bachelor in Endoscopy Technology	3 Years+1 Year (Internship)	
19		UG	Bachelor in EEG Technology	3 Years+1 Year (Internship)	
20		UG	Bachelor in Emergency and Trauma Care Technology	3 Years+1 Year (Internship)	
21		UG	Bachelor in Dialysis Technology	3 Years+1 Year (Internship)	
22	Pacific College of Occupational Therapy	UG	Bachelor of Occupational Therapy	4 ½ Year	10+2 (PCB) As per University regulations
23		PG	Master of Occupational Therapy	2 Year	BOT (As per University regulations)
1	Pacific Medical University	Ph.D. (Doctor of Philosophy)	Anatomy	Ph.D. Programme shall be for a minimum duration of three (3) years, including course work, and a maximum duration of six (6) years from the date of admission	Eligibility (Written Examination & PI) of the students on the basis of Ph.D. seats available & Postgraduate degree in related field/subject.
2		Ph.D. (Doctor of Philosophy)	Biochemistry		
3		Ph.D. (Doctor of Philosophy)	Microbiology		
4		Ph.D.	Physiology		

		(Doctor of Philosophy)		to the Ph.D. programme	
5		Ph.D. (Doctor of Philosophy)	Medical Pharmacology		
6		Ph.D. (Doctor of Philosophy)	Psychiatry		
7		Ph.D. (Doctor of Philosophy)	Neurosciences		
8		Ph.D. (Doctor of Philosophy)	Clinical Psychology		
9		Ph.D. (Doctor of Philosophy)	Nursing		
10		Ph.D. (Doctor of Philosophy)	Physiotherapy		
11		Ph.D. (Doctor of Philosophy)	Occupational Therapy		
12		Ph.D. (Doctor of Philosophy)	Dentistry		
13		Ph.D. (Doctor of Philosophy)	Paramedical
